

## CEYS dissemination event Belgium

During this interactive event the results of the Erasmus+-project CEYS and the learning network STEM+ are presented. Keynote speakers Jozefien Schaffler, Bea Merckx, Kirsten Devlieger and Stephanie Vervaeke will introduce you to both projects. Next, participants will attend one CEYS-workshops and one STEM+workshop (see programme below). In between, during an interactive market, participants will be introduced to the curriculum materials developed by the CEYS lead teachers.

Location: Artevelde University College, Campus Sint-Amandsberg, J. Gerardstraat 18, 9040 Ghent  
Date: May 16th 2017
