

Module 1 Task 5: Analysis of teacher questioning: Episode/Template _____

What types of questions are asked by the practitioners (subject centered, process centred, person centred, other)? Annotate your example.

<p>What is the focus of teachers' questions?</p>	<p>Do you note any change over time?</p>
<p>What insights are gained into children's ideas, questions and strategies?</p>	<p>How might/does the teacher build on these?</p>
