

Task 7, recording sheet

Linking informal & formal learning

- How could you build on (previous) informal learning outside the classroom? How can you know what they learned outside the classroom?
- How could you enhance informal learning in the classroom? What materials or activities could help?
- How could you as a teacher foster informal learning (outside the classroom)? How could you e.g. involve parents, change the playground, ...
- Draw arrows and explain. Exchange within your group.
